"KEEP, ANCIENT LANDS, YOUR STORIED pomp!" CRIES she
WITH SILENT LIPS. "GIVE ME YOUR TIRED, YOUR POOR,
YOUR HUDDLED MASSES YEARNING TO BREATHE FREE,
THE WRETCHED REFUSE OF YOUR TEEMING SHORE.
SEND THESE, THE HOMELESS, TEMPEST-TOST TO ME,
I LIFT My LAMP BESIDE THE GOLDEN DOOR!"

ADMINISTRATION

THE AMERICAN'S CREED

I BELIEVE IN THE UNITED STATES OF AMERICA AS A GOVERNMENT OF THE PEOPLE, BY THE PEOPLE, FOR THE PEOPLE; WHOSE JUST POWERS ARE DERIVED FROM THE CONSENT OF THE GOVERNED; A DEMOCRACY IN A REPUBLIC; A SOVEREIGN NATION OF MANY SOVEREIGN STATES; A PERFECT UNION, ONE AND INSEPARABLE; ESTABLISHED UPON THOSE PRINCIPLES OF FREEDOM, EQUALITY, JUSTICE, AND HUMANITY FOR WHICH AMERICAN PATRIOTS SACRIFICED THEIR LIVES AND FORTUNES.

I THEREFORE BELIEVE IT IS MY DUTY TO MY COUNTRY TO LOVE IT; TO SUPPORT ITS CONSTITUTION; TO OBEY ITS LAWS; TO RESPECT ITS FLAG; AND TO DEFEND IT AGAINST ALL ENEMIES.

Monroe Doctrine

Our policy in regard to Europe, which was adopted at an early stage of the wars which have so long agitated that quarter of the Globe, nevertheless remains the same, which is, not to interfere in the internal concerns of any of its powers; to consider the Government de facto, as the legitimate for us; to cultivate friendly relations with it, and to preserve those Relations by a frank, firm and manly policy, meeting in all instances, the just claims of every power, submitting to injuries from none. But, in regard to those continents, circumstances are eminently and conspicuously different. It is impossible that the allied powers, should extend their political systems, to any portions of either continent, without endangering our peace and happiness; nor can any one believe, that our southern Brethren, if left to themselves, would adopt it of their own accord. It is equally impossible therefore, that we should behold such interposition in any form with indifference.

CHEERLEADERS

The school owes a vote of thanks to Miss Roddy and a group of cheerleaders who have done a fine job. This year, for the first time, the school had a mascot in little Pamela Workman. These six have carried Arlington High School through a most successful football season and in doing so have made a successful season for themselves. Many thanks to our wonderful cheerleaders, Lyndal Bullock, Diane Jackson, Mary Ann Smith, Carol Ryan, Darrell Stewart and Pamela.

ACTIVITIES

IN CONGRESS, JULY 4, 1776.

The unanimous Declaration of the thirteen united States of America,

When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. ——— We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. — Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world. ——— He has refused his Assent to Laws, the most wholesome and necessary for the public good. ——— He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them. ——— He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only. ——— He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into compliance with his measures. ——— He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people. ——— He has refused for a long time, after such dissolutions, to cause others to be elected; whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within. ——— He has endeavoured to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands. ——— He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary powers. ——— He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries. ——— He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people, and eat out their substance. ——— He has kept among us, in times of peace, Standing Armies without the Consent of our legislatures. ——— He has affected to render the Military independent of, and superior to, the Civil power. ——— He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation: — For quartering large bodies of armed troops among us: — For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States: — For cutting off our Trade with all parts of the world: — For imposing Taxes on us without our Consent: — For depriving us in many cases, of the benefits of Trial by jury: — For transporting us beyond Seas to be tried for pretended offences — For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies: ——— For taking away our Charters, abolishing our most valuable Laws and altering fundamentally the Forms of our Governments: — For suspending our own Legislatures, and declaring themselves invested with Power to legislate for us in all cases whatsoever. — He has abdicated Government here, by declaring us out of his Protection and waging War against us. ——— He has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people. ——— He is at this time transporting large Armies of foreign Mercenaries to compleat the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation. ——— He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands. ——— He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions. In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered by repeated injury. A Prince, whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people. Nor have We been wanting in attentions to our British brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends. ———

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. ——— And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

GARLAND

With the burning memory of the first loss in twenty-seven games (to Kermit in the 1950 semi-finals) still fresh in the minds of many of Coach Mayfield Workman's thirteen returning lettermen, the Arlington Colt football team journeyed to Garland to open the 1951 season. The Colts rolled for a score the first time they obtained possession of the ball, allowed Garland to tie the score, and then Arlington ran away with the ball game.

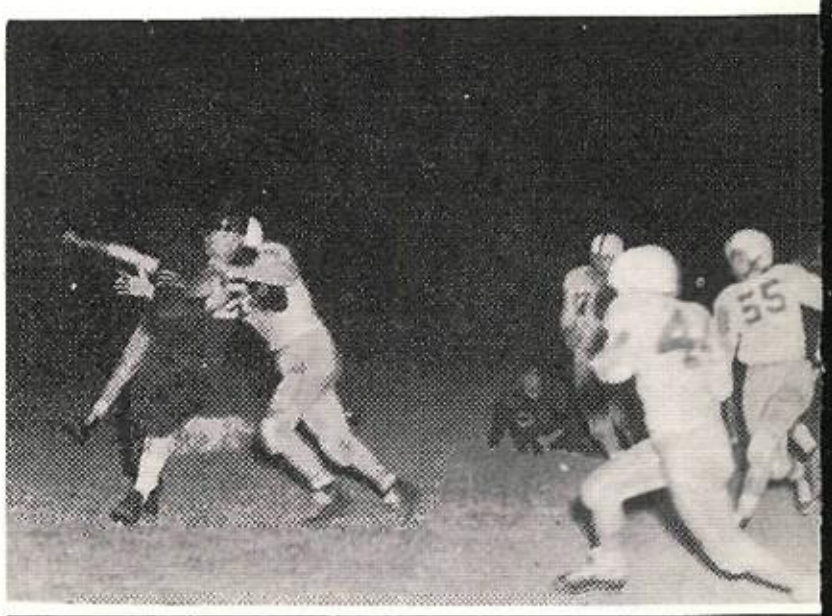
Ray (Slick) Glasgow scored from the seventeen yard line to climax a 76 yard drive. Garland then rolled for a touchdown with Patterson plunging over from the one yard line on fourth down. Glasgow put the Colts back in the end zone. Davault counted again early in the second period on a beautiful display of broken field running from the thirty yard line. Rusty Gunn scored twice in the second half and added an extra point to help raise the final score to Arlington 31, Garland 12.

IRVING

The Colts traveled to Irving on September 21 for their second game of the season. The Colts overpowered the AAA Tigers 21 to 6.

After an exchange of punts, Arlington began rolling and went 76 yards on a sustained drive for the first score. Rusty Gunn plunged over from the three yard line and converted to give the Colts 7 points. The Colts scored again in the second period as Glasgow sneaked over from the one. Gunn converted.

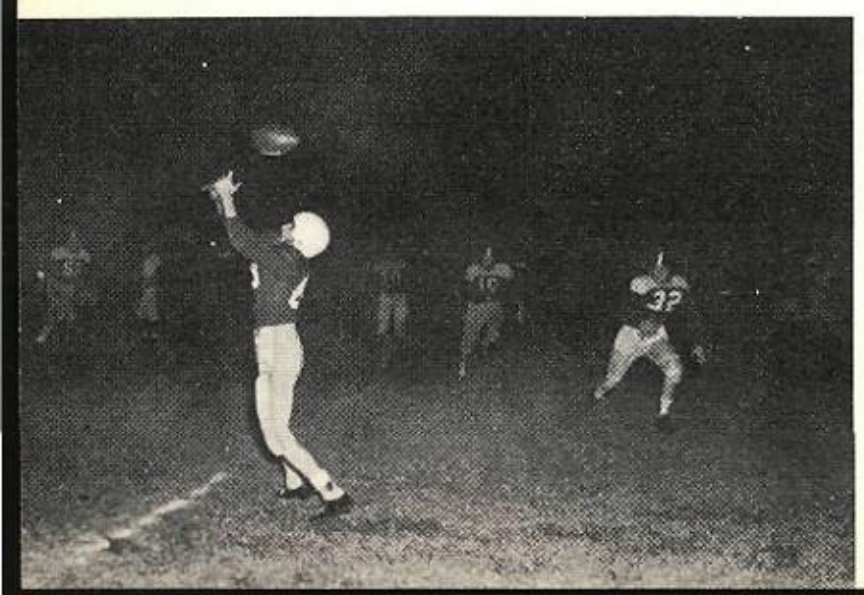
The Colts' scoring was done by Rusty Gunn in the first and last period and Glasgow in the second quarter. Gunn converted after each score. It was a magnificent triumph for the Arlington line led by Cribbs, Harris, Walker, Hufford, and Hill, as they outplayed the highly rated Tiger line in every way.



HILLSBORO

Bob Kirby displayed a brilliant brokenfield running ability to lead the Arlington Colts to a 13 to 6 victory over Hillsboro, a AAA ball club. Kirby raced 50 yards for the first Colt tally and made many other fine runs.

Hillsboro tied the score in the third quarter, but Ray Glasgow raced around end for seven yards and a touchdown in the final stanza to give the Colts their winning margin. Rusty Gunn converted.



WEATHERFORD

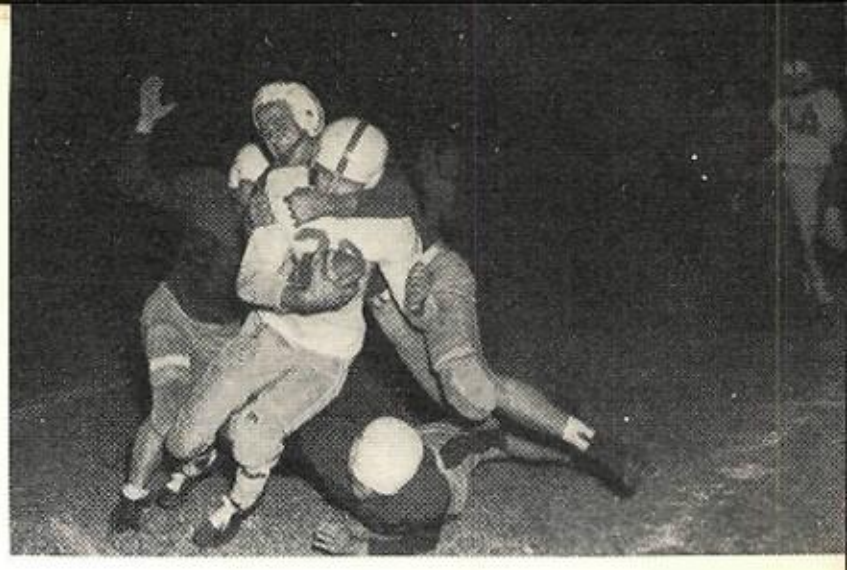
The Colts journeyed to Weatherford to meet their third AAA opponent in succession. Arlington's fine line, consisting of Hill, Hufford, Walker, Redmond, Harris, Cribbs, Cook, and Cherry, allowed the Colts to carve out a thrilling 7 to 6 score. The loss knocked the Kangaroos from the ranks of the undefeated.

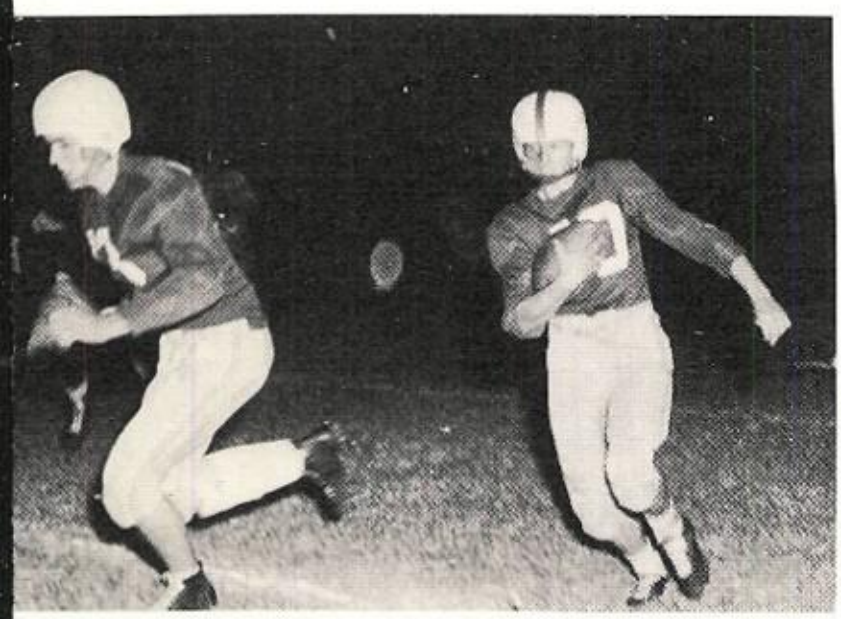
Weatherford scored first early in the game and led until late in the third quarter. Arlington pushed across their lone tally on a plunge by Gunn going for four yards. With the crowd on its feet, Gunn then split the uprights for the winning margin.

DIAMOND HILL

The Colts took their first and longest stride toward their straight district title by downing Diamond Hill 20 to 14.

Arlington scored two quick touchdowns on a pass from Glasgow to Cook and a 10 yard run by Kirby. Diamond Hill then rose to the occasion to score twice and lead 14 to 13 at half time. The Colts would not stay beaten, however, and drove 75 yards in the third period for the winning touchdown with Rusty Gunn plowing over from the one yard line.





TERRELL

After five straight victories the Arlington Colts, hampered by a mental letdown and a muddy field, were completely snowed under by a Terrell touchdown machine. The Colts were never in the ball game as Terrell built up a 18 to 0 lead by half time and then coasted to a 24 to 14 victory.

Terrell scored three times on passes and once on a short run. Arlington's points came on two runs of 12 and 5 yards by Rusty Gunn. Gunn converted after both Arlington touchdowns.

HANDLEY

Arlington won its second district contest by defeating Handley 27 to 13. Everybody in the Colt backfield got a touchdown before the scoring was over.

Bob Kirby scored the first touchdown by racing 56 yards on the first play from scrimmage. Gunn went 5 yards for the second score and kicked his first of 3 conversions. Glasgow stood on his own 31 yard line and threw a pass to Cook. Cook immediately lateraled to Davault who raced down the sideline for the score. "Slick" Glasgow sneaked over from the one for the final Colt tally.

Handley scored touchdowns in the second and fourth quarters.

BIRDVILLE

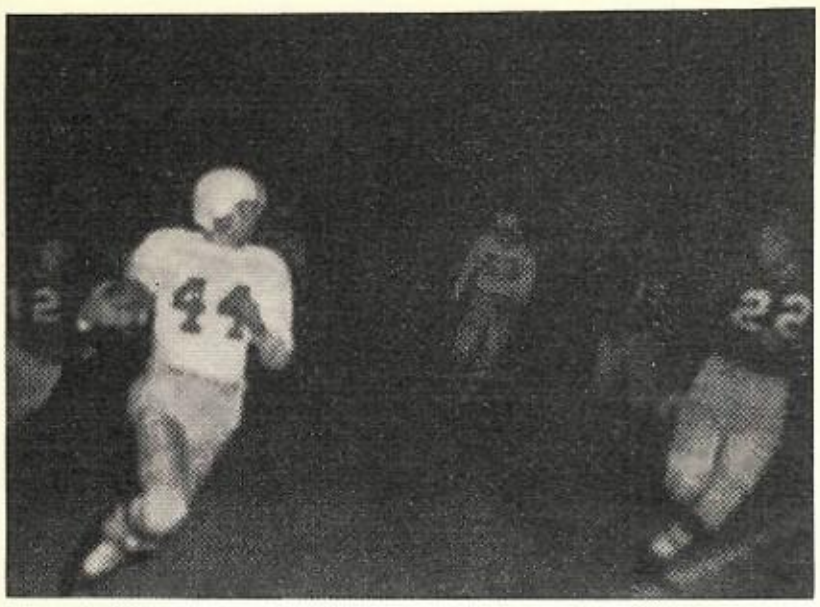
Arlington ruined Birdville's homecoming, won their district game, and cinched its third district title by mauling Birdville 33 to 6.

The Colts started fast by scoring on the second play of the game with a 61 yard run by Rusty Gunn.

Birdville made a desperate bid by marching back to tie the score at 6 to 6.

The Buff's tie was short-lived, however, as Gunn again stepped through a large hole, reversed his field, and scored standing up from the Birdville 31 yard line.

For the third time the Arlington line exploded a hole through which Gunn went 35 yards to score. Bob Kirby took a Glasgow pass in full stride and raced 19 yards to score. In the final period Stephen Spear took a reverse and went 11 yards for the last Colt score.



MINERAL WELLS

Arlington won its third undisputed district title by maulin Mineral Wells 30 to 13. The Colts took an early lead on a 5 yard punt return by Raymond (Slick) Glasgow. Glasgow als passed to Kirby and Cook for two touchdowns and played a fin defensive game. Rusty Gunn rounded out the scoring by run ning for one touchdown, kicking three extra points, and bootin a 36 yard field goal.

OLNEY

The Arlington Colts traveled to Olney for their bi-district game to renew a rivalry with the Olney Cubs. The Colts were out to prove to the Cubs that Arlington's 13 to 7 victory in the playoffs of the previous year was no fluke.

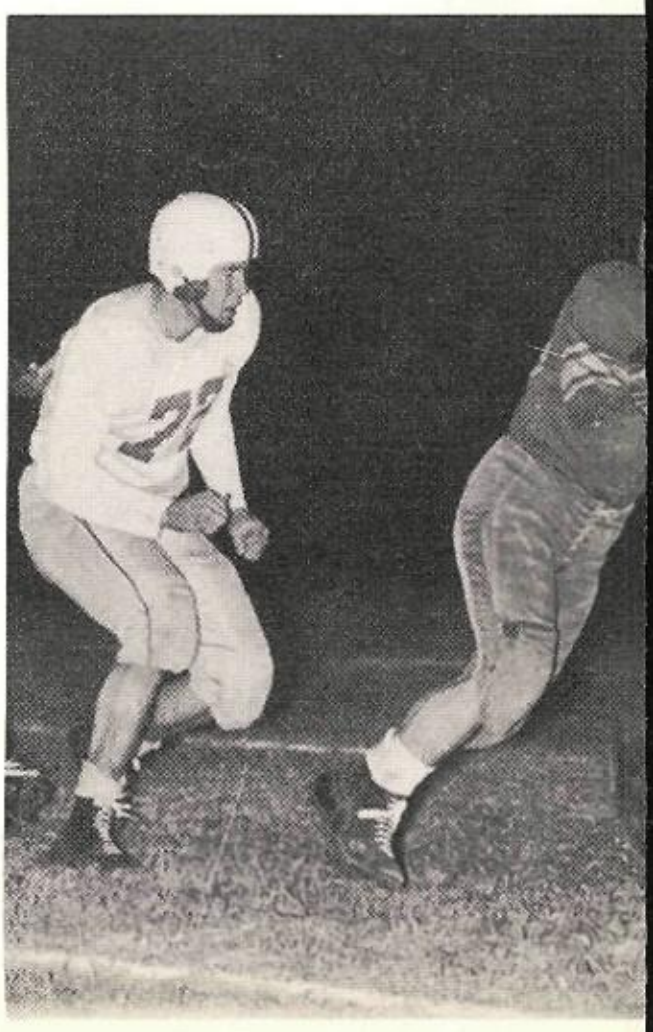
The Colts kicked off to Olney and on the third play Arlington's little stick of dynamite, Billy Jo Walker, jarred a Cub ball carrier loose from the ball at the Olney 20 yard line. The Colts drove to the eight and then Larry Davault plowed for the score. From there on it was all Arlington as Rusty Gunn added 21 points on runs of seven, two, and sixty-five yards; Kirby plunged two yards to score; and Glasgow sneaked one yard for a touchdown. The Colts brushed aside Olney 38 to 13.

WINTERS

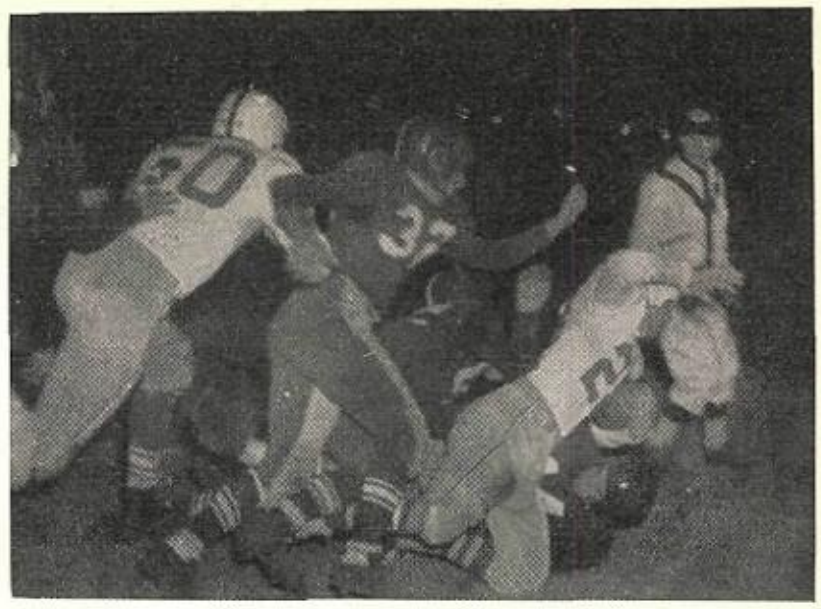
The Winters Blizzards found the Arlington Colts too hot to handle in the Regional Championship game at Stephenville. The Colts took control quickly as they scored on their first offensive play.

Winters took the opening kickoff and was forced to punt from their own 21 yard line. Rusty Gunn came in from line backer and threw his bulk into the kick. The Colts recovered on the Winters 4 yard line and Larry Davault roared around end for the score.

Winters came right back to score but the Colts pulled away on another blocked punt by Gunn and a bullseye from "Slick" Glasgow to Bob Kirby. Winters lost 21 to 6.



PLEASANT GROVE



The Colts went to Dallas to play their quarter-final game th Pleasant Grove. The game was rated as a toss-up, but it s the Bobcats who were tossed.

The Colts received the kickoff and drove 75 yards for a uchdown in 11 plays. Rusty Gunn carried for the score. It s Gunn again with a 15 yard scoring sprint that gave the lts a 13 to 0 halftime lead.

If the Bobcats were ever in the game their hearts were oken when the big Gunn took a handoff from Glasgow, twisted d turned for 56 yards and a touchdown on the first play of e second half. Next it was Ray Glasgow around end for a 47 rd scoring dash. Bob Kirby rounded out the touchdown pa- de with a 2 yard plunge.

Billy Adam and crew from Pleasant Grove were held score- s by the great Colt line until Arlington had a 26 point mar- . Final score: Arlington 33, Pleasant Grove 12.

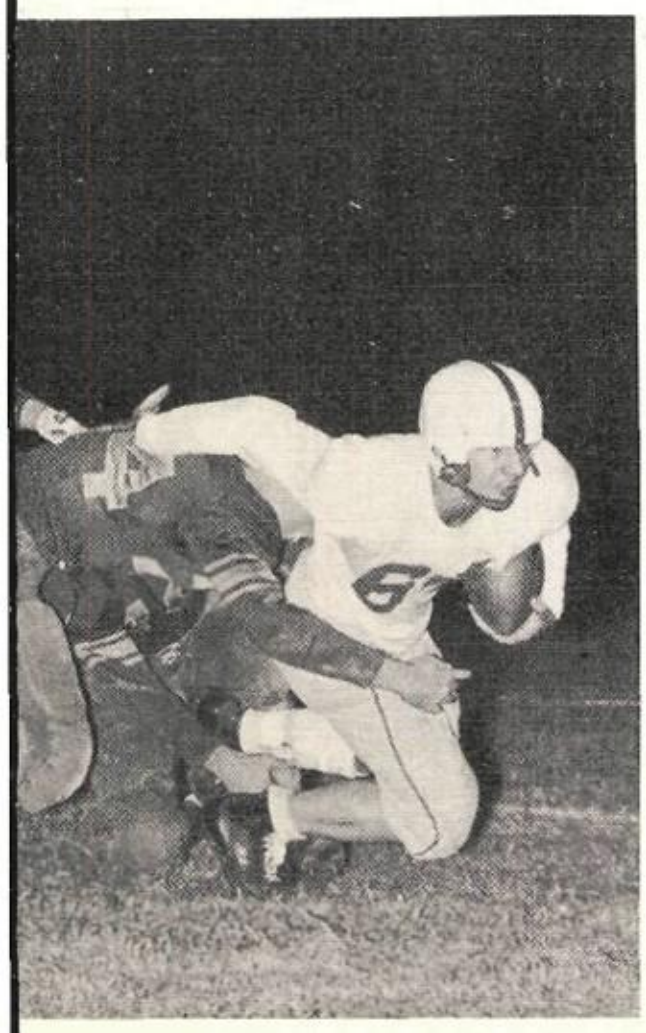
ANSON

The Anson Tigers had a long ride home to wonder what had happened at T.C.U. Stadium. Anson had ridden into Fort Worth favored by 14 points, but they left smarting from a 26 to 6 defeat at the hands of Arlington.

The Colts were never better than they looked in the semi-final football game against Anson. The Tigers were never in the ball game. The rough Colt line and tricky Arlington backfield spelled out in bold type that they wanted a chance to play for the state championship. In the final analysis it was the pinpoint passing of Ray Glasgow that spelled defeat for Anson. He passed for three touchdowns.

The Colts took the opening kickoff and marched for a touchdown with Glasgow passing the last 14 yards to Cook. The Colts scored again in the second period when Rusty Gunn put on a broken field running exhibition and raced 34 yards to score. Again the Colts counted in the second period with Glasgow passing five yards to score after Gunn had set up the touchdown with a 72 yard dash. The final score came in the closing minutes of the game as the young general of the Colts again hit Leon Duffey for 26 yards and a touchdown. The only Anson score was a long pass at the end of the first half.

LA VEGA



The "Colossal Colts" of Arlington High School tooted on to the turf of Baylor Stadium in Waco at 2 p.m. on December 22 to meet the highly favored La Vega Pirates.

The Pirates took the kickoff and advanced it to their own 45 yard line. On the first play from scrimmage the cocky La Vega crew sent "Big Billy" Keller, their publicized high scoring breakaway runner, slashing into the "tiny" Colt line. He was stopped cold. Thus, the green and white clad warriors of Arlington sounded a warning to all present that they had come to Waco to win a State Championship. And win it they did.

The high-scoring Pirate team found the Colt line impassable. La Vega could not go through, around, nor over the vicious Colts. Time and time again the Arlington team lowered an "Iron Curtain" to cut short La Vega touchdown drives. It was Grover Cribbs and Billy Jo Walker leading the Colt line, with Harold Hill, Jim Harris, Rusty Gunn, Larry Hufford, Fred Cook, and Randall Redmond who stopped the Pirates.

Midway in the second period the Colts started moving from their own 31 yard line. In 13 plays they had moved to the La Vega 20 yard line. From this point All-State fullback Rusty Gunn slashed to the 3 yard marker and then cracked the Pirate line for the final touchdown of his high school career. Gunn then added the point after, and as the final seconds of the game ticked away that score was still posted for all to see. ARLINGTON 7, LA VEGA 0

Grover Cribbs 6' 2"

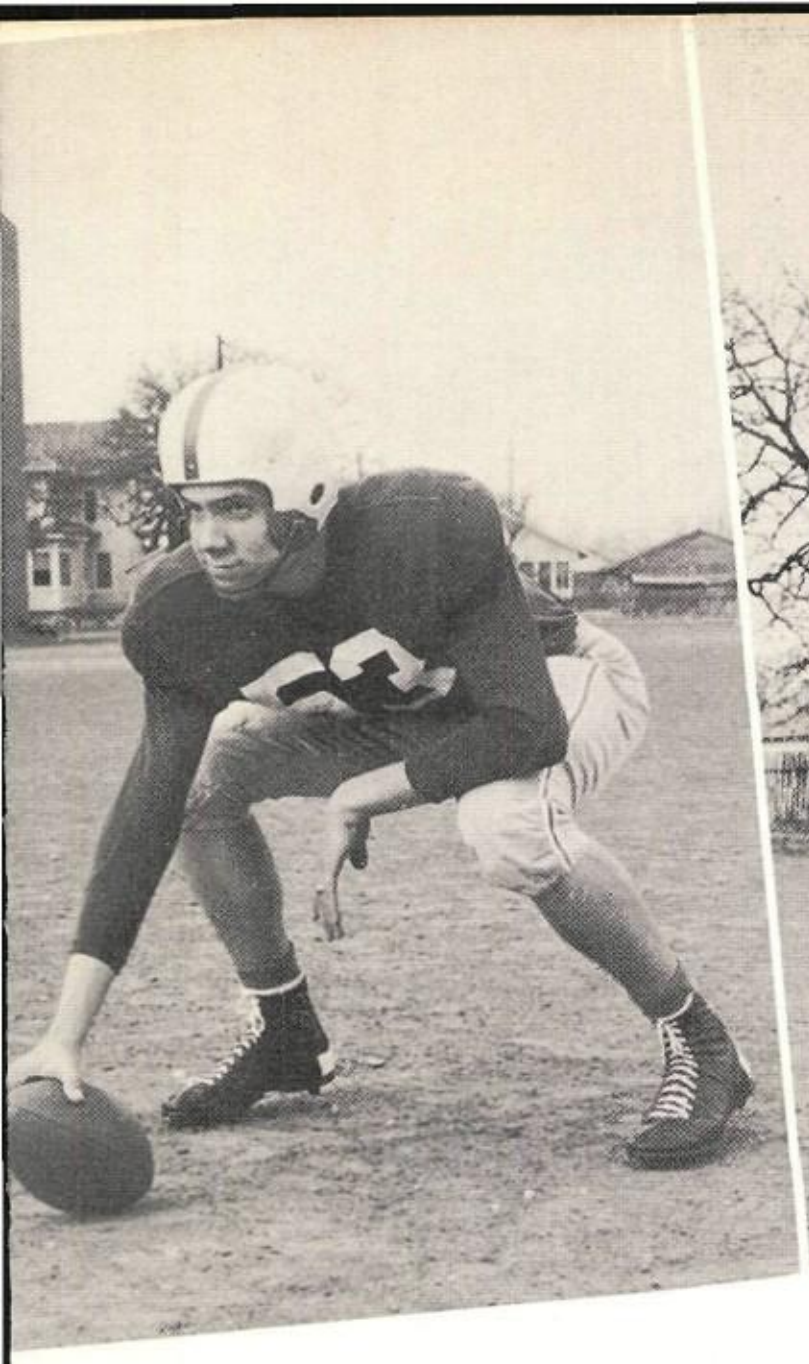
An important cog in the Colt grid machine this year was this giant senior tackle. Opposing ball carriers from Garland to La Vega still shudder at the memory of his bull-like blocking and tackling. Cribb's name quickly moved to the top of the list of great linemen in the state. Cribbs, one of the Colt tri-captains, was placed on the All-Greater Dallas squad, was first team All-District, and was honored as one of the two best tackles in his class by being selected on the first All-State team.

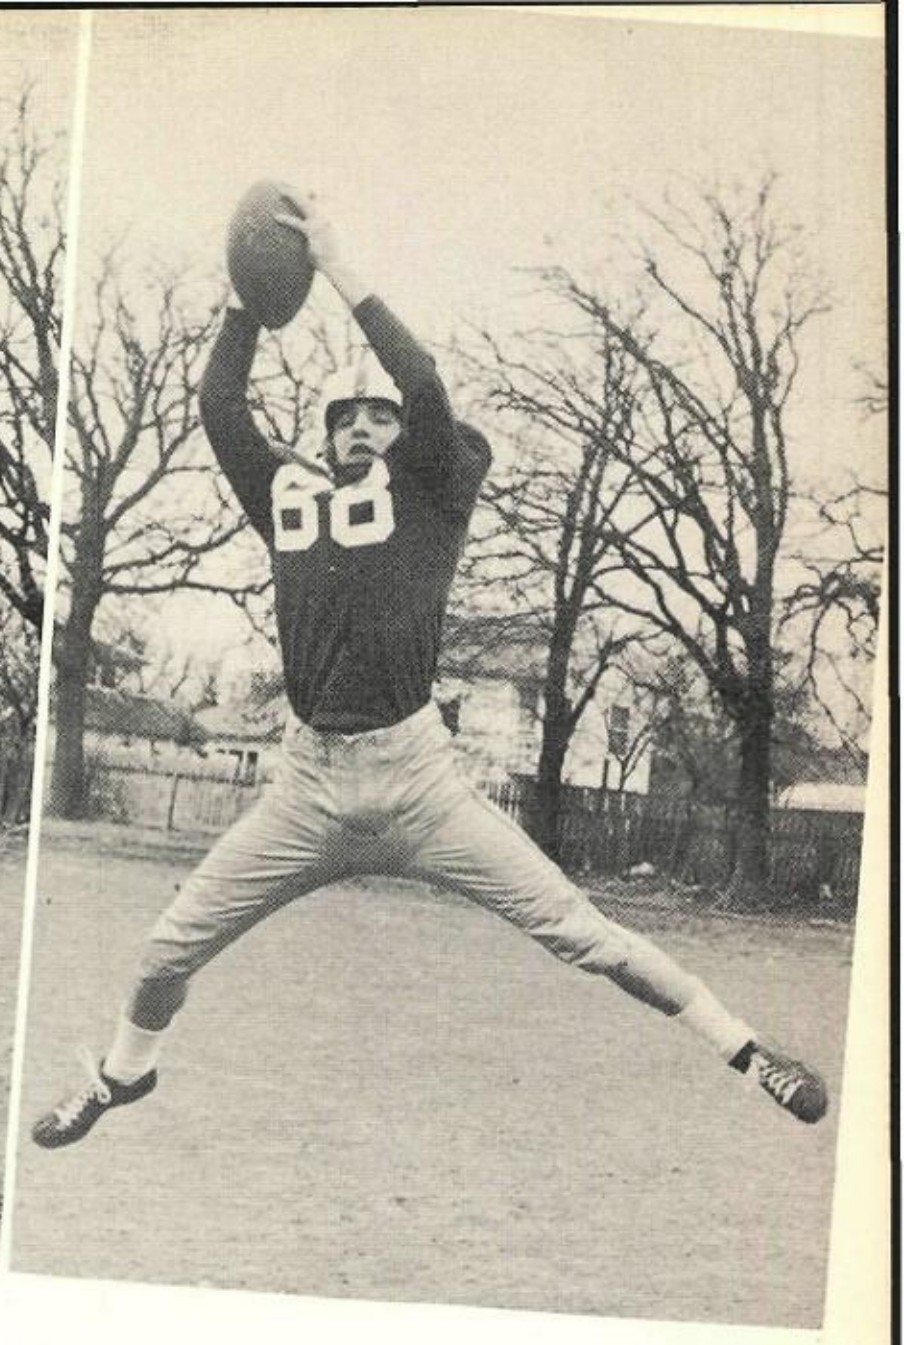
Rusty Gunn 5' 11"

One of the outstanding players on the Championship football team has been Rusty Gunn, who has lettered all four years he has been in high school. During his freshman year Rusty played in the line, but beginning in his sophomore year, he was shifted to the backfield where he has played fullback for the past 3 years. Here he has also done the kicking duties of the team. Rusty has scored 397 points in 3 years of playing. Three years Rusty has been selected on the All-District team; two years he has rated a place on the All-State team; and now the Scholastic Magazine has selected him along with five other Texans on an All-American high school team.

Billy Joe Walker 5' 10"

One of the brightest stars i the Colt galaxy was the amazing Mr. Walker. Rival teams sometimes started a game by trying to gain yardage through this paperweight guard but ended up by saying, "We can't run on that side of the field. Walker's there!" Pound for pound the finest lineman anywhere was this explosive little man. Although he was overlooked on the first All-District team he was honored by being placed on the Star-Telegram's All-State squad.





Raymond Glasgow 6' 2"

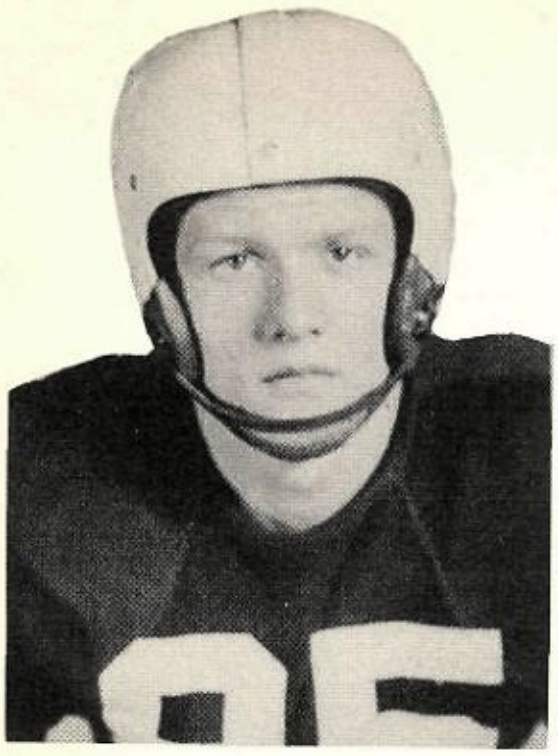
The crafty field general of the Arlington powerhouse was heralded far and wide as one of the top "T" quarterbacks in the state. A real triple threat, Ray could run, pass, or kick the opposing team right out of the stadium. He had a "bad" habit of staying one step ahead of the other team and calling the right play at the right time. He was an All-District performer, second string on the Star-Telegram All-State squad, and honorable mention on the official All-State Team.

Pete Murray 6' 3"

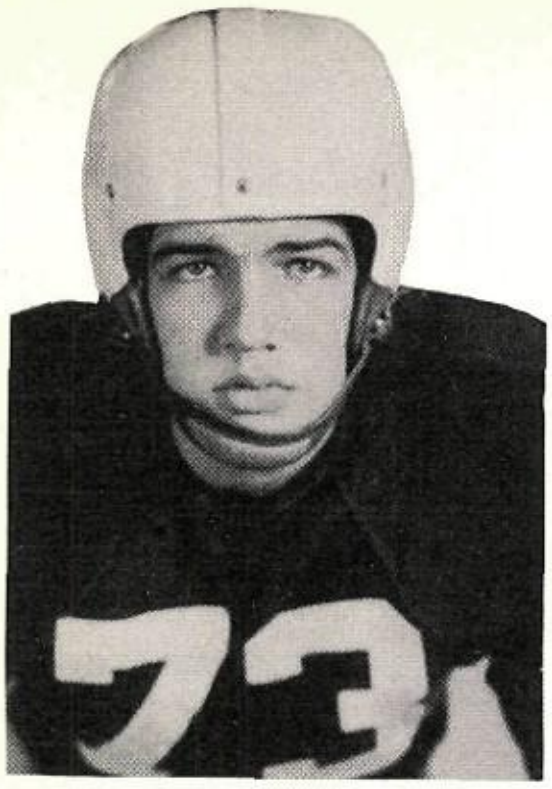
Holding down the pivot slot
the Colt team was All-District
nter Pete Murray. It was
urray's sterling clocking ef-
rts that enabled the Colts to
le up a tremendous amount of
rdage through the middle of
e line. Pete started only on
ffense at the beginning of the
ason, but as the Colts forged
ep into the playoffs he came
to his own as a defensive line-
cker.

Fred Cook 5' 11"

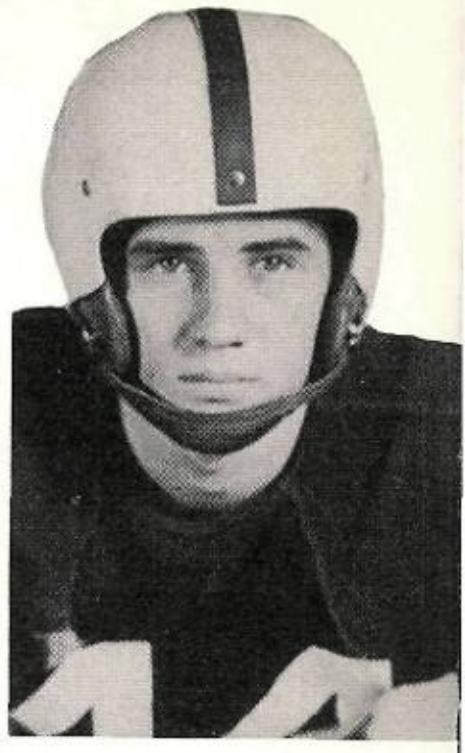
At the flanker position was one of Arlington's greatest ends. On defense he was a demon who did what the opposition least expected; on offense he was a sparkling gem who could rip a huge hole in the opposing line or tear down field and catch a forward pass in any position. Cook was selected on the All-District team and All-Greater Dallas squad.



HAROLD HILL
6'2"-170
None surpassed this boy at defensive end. All of the Colt's opponents paid a high tribute to his ability. His vicious tackling landed him a berth on the All-District squad.



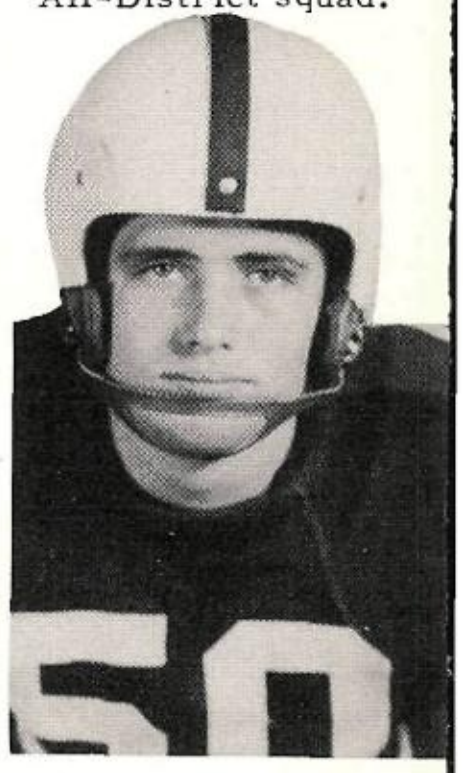
LARRY HUFFORD
6'1"-175
This blasting tackle was named to the second All-District team. He was equally brilliant on both offense and defense. With another year to play, he should aid the Colts greatly.



BOB KIRBY
5'10"-150
This ripping halfback was named by La Vega as the "boy who hurt us most" in the State Championship game. He was outstanding on both offense and defense the entire year. Bob was also placed on the All-District squad.

LARRY DAVAULT
5'6"-121
A Colt tri-captain, he was a leader on and off the field. Although he would hardly tip the scales it always took several tacklers to bring him down. He was a defensive genius and a jarring tackler. Larry won honorable mention on the All-District squad.

JIM HARRIS
6'3"-120
"Big" Jim was a tremendous aid in the Colt march to the championship. A big, fast guard, he could break an opposing ball carrier in two. He was a fine blocker and was placed on the All-District squad.



KENT CHERRY
6'-180
"A jack-of-all-trades, and master of all" was this fine athlete. Very rarely is a boy placed on the All-District squad who doesn't start every game, but such was Kent's case. He did a very fine job all year.

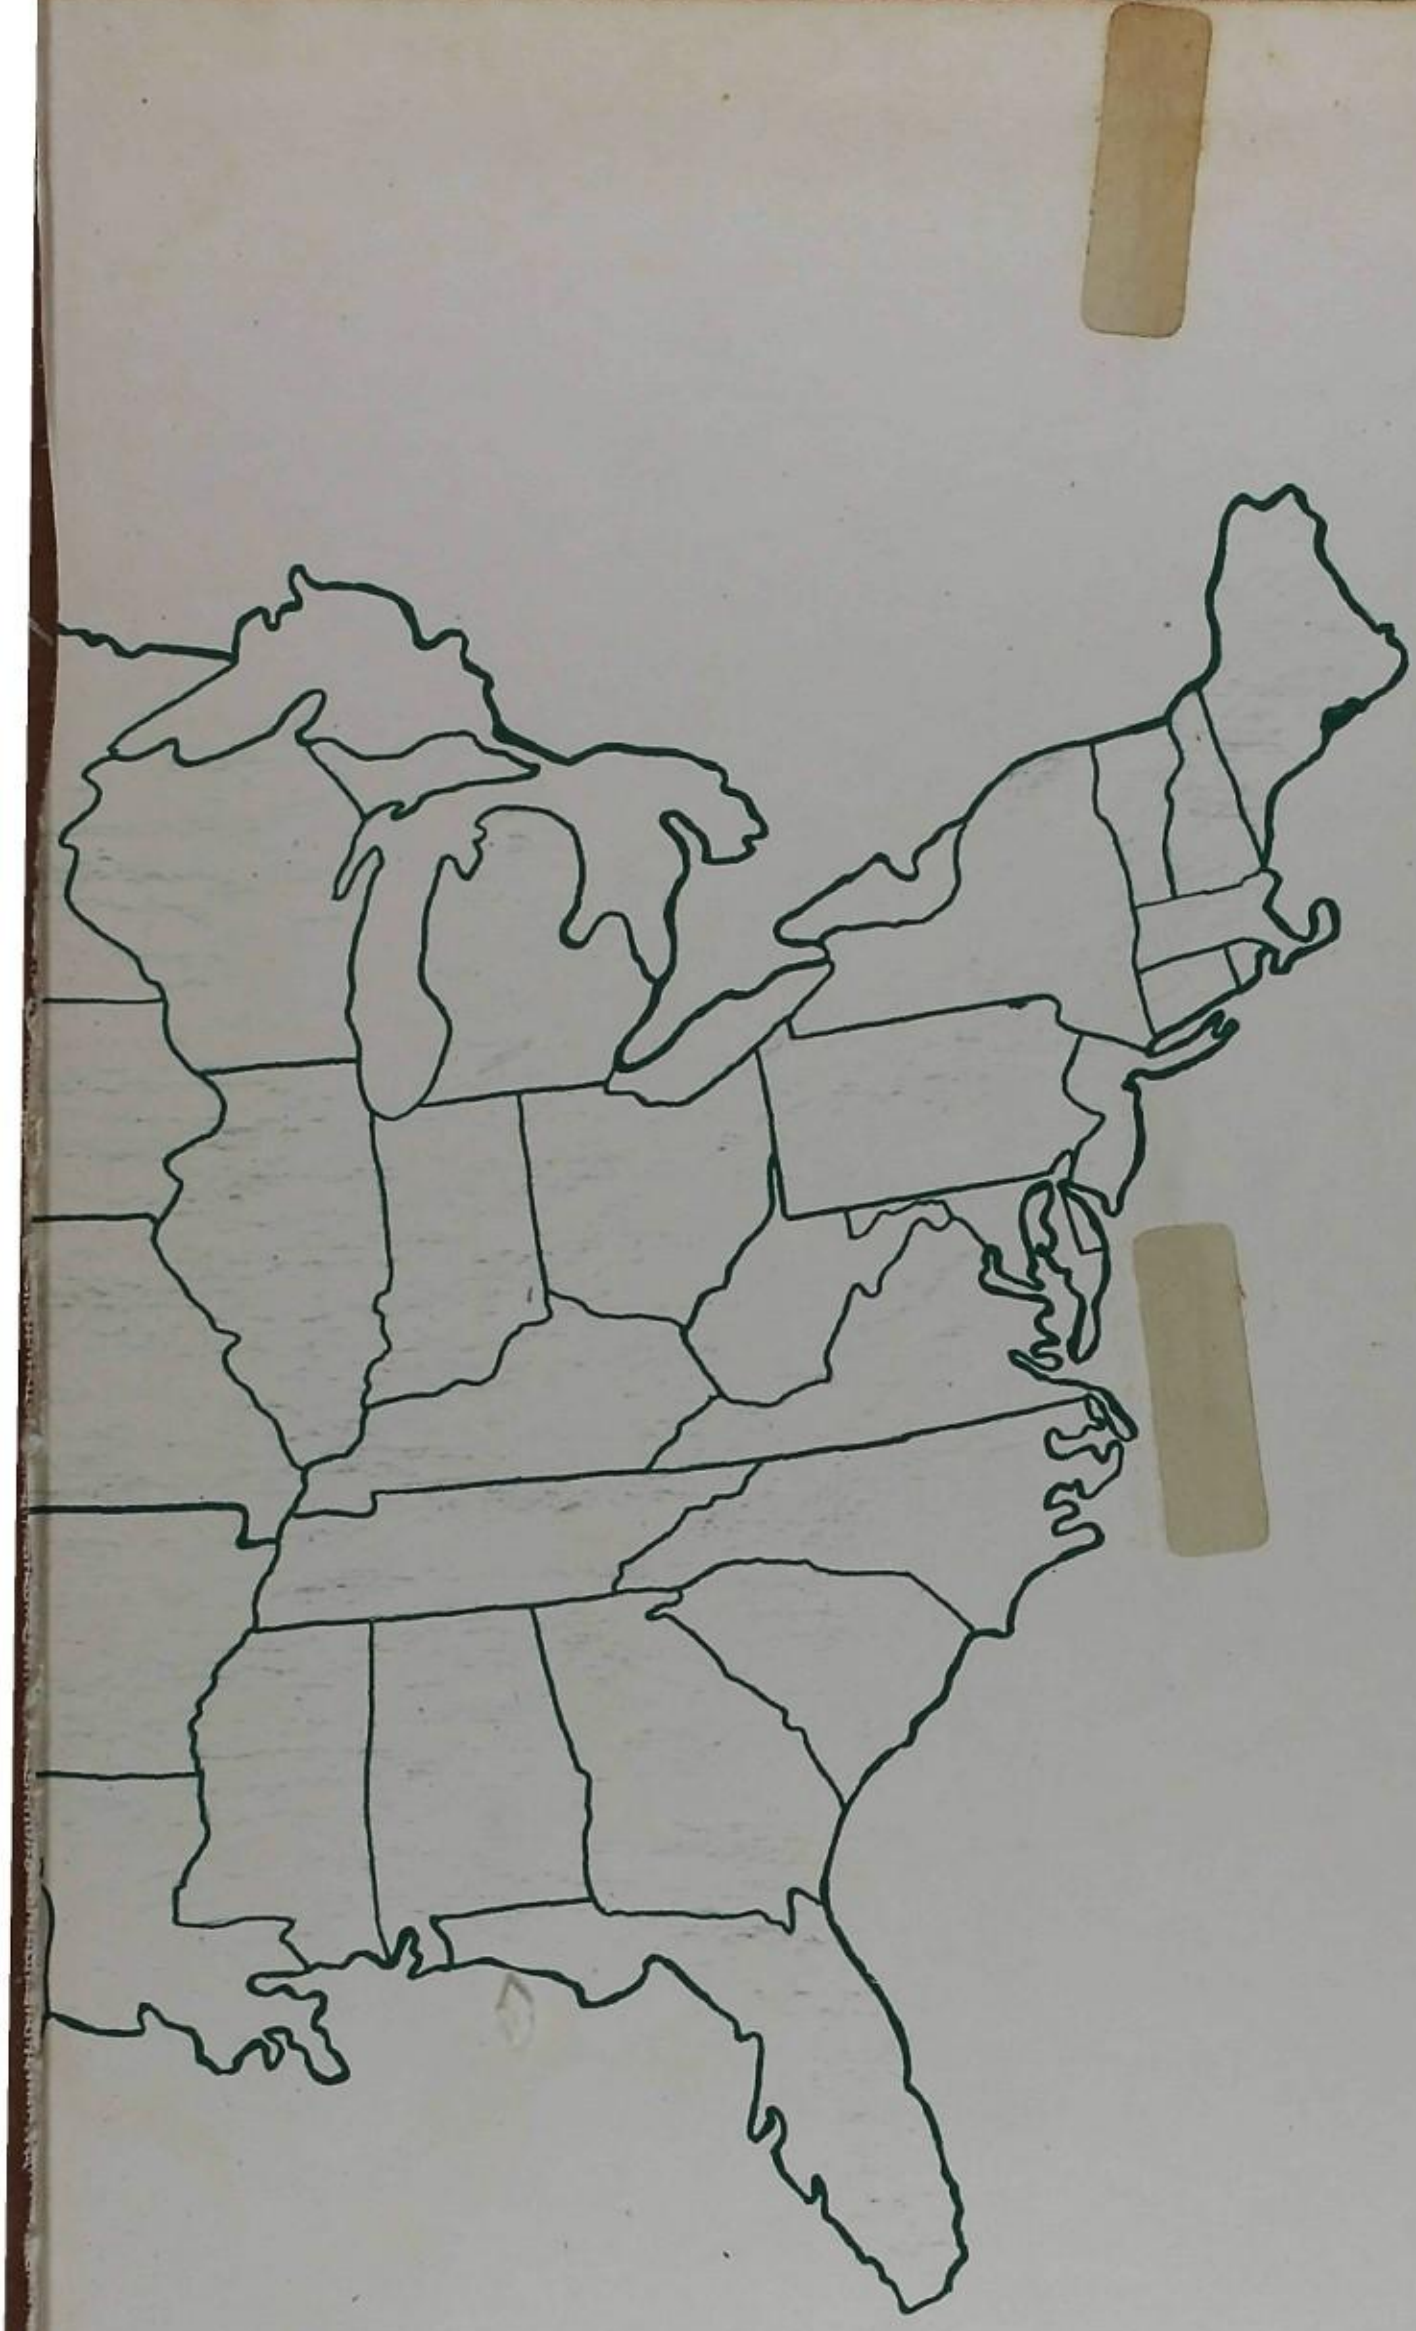
Dear Teacher,

I have enjoyed bothering you in class this past year. But you are lucky you won't have to put up with me this next year. I really think you are very nice and sweet even if you are married to some old man. Best of luck to you in the coming years.


Lots of Love,
Freddie
